Summer Vacation is Around the Corner

It's important this time of year to stay the course, keep coming to school and pass your classes and earn your credits!!!! Remember the end goal is to earn enough credits to pass high school and join the workforce!

Student Interview: Kyowa

By Nathan Edgington

What did you come to Casman?

"My older brother went to Casman and had told me the way Casman works is so much better than the normal school system. This might just be my opinion but it definitely is."

What's your favorite food?

"Fried chicken even though I pretty much never have it."

What branch of service do you plan on going into?

"Marines or coast guard."

What job/MOS do you plan on doing?

"Military or anything else that I can do."

What college do you plan on going to?

"If I have good enough grades I'll go anywhere that takes me."

What major do you plan on doing?

"No clue yet."

Why did you decide to come to Casman?

"For a chance to actually succeed in life."

What advice can you give the people of Casman?

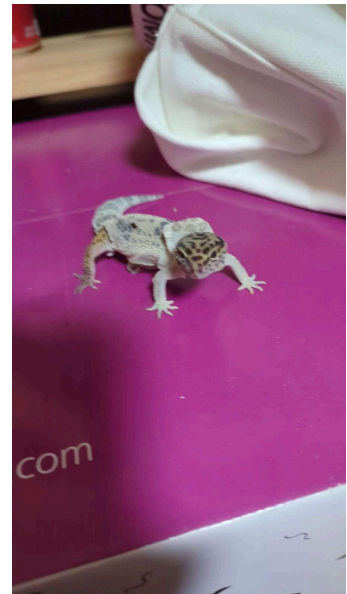

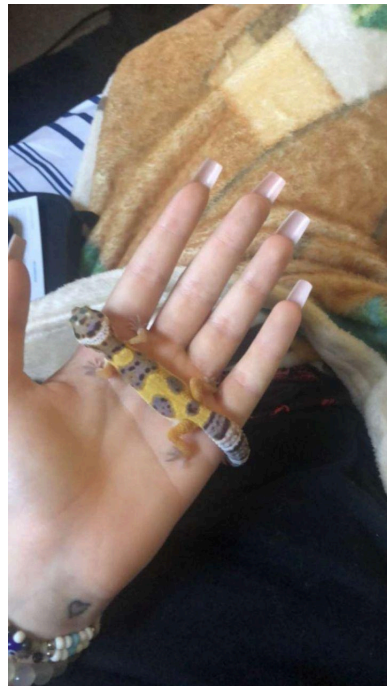

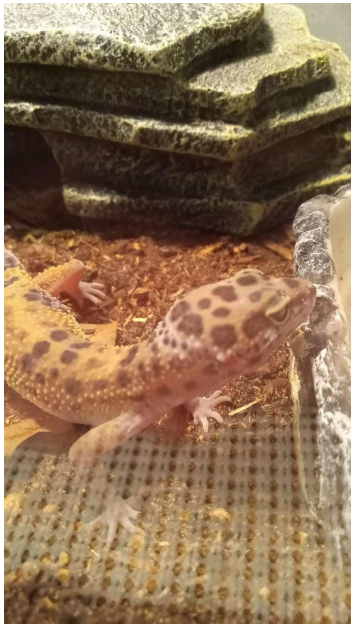

"You all have the power to do what you want or need to do, you just have to find what truly motivates you."

Pet of The Week: Leo

By Ian O'Connor

Leo is Jenna's (9th) leopard gecko; she is a year old and spends most of her time relaxing in her Jurassic world-themed 20-gallon tank. Leo often basks in the warmth of her heat lamp, eating a variety of worms, crickets, grasshoppers, and cockroaches. Spending her time observing the world around her, with her never-ending curiosity leading to multiple escape attempts.

Student Interview: Ollie

Why did you decide to come to Casman? I decided to come to Casman because I was struggling in school and I learned that I have a learning disability which was impacting my ability to learn. On top of that I was bullied a lot and just couldn't take it anymore.

What is your favorite subject? My favorite subject is Math or Creative writing. Math because I just enjoy the people in there and the environment is very calming. Creative writing because I really enjoy writing.

What do you like to do during free time? In my free time I like to read, write, play my trumpet, and do what I can to serve my community and church.

Is there anything you want the students at Casman to know about you? Yes, I am not as mean or weird as I come off. Yes I can be socially awkward at first but that's because I'm trying to read you and understand how I should interact with you. The mean thing is because when I first started to make friends here I was down right mean but that's because I didn't understand how to properly interact and I was trying to show I care.

Do you have any advice for the students at Casman? Yes, Please do your work, it's not worth waiting to graduate in the long run. You could be out of here and living your life to your full potential. Think about it, is it really worth wasting precious moments that you could never get back? That extra year you could have a career, Money, A family, A 401k. Just please think about it.

Poem of the Week

By Lovelly

Easter eggs
Pink, yellow, and blue
Nestled in the grass
Propped up by a rock
Hidden in a tree
All awaiting to be found

Children running
Children racing
To be the first to find them

A basket full of desserts delight!
A Chocolate bunny and sugary peeps
All just for me
Left by the Easter bunny!

Laughter and cheer always is near
Simply the time to be since
Easter is here!
